SYCAMORE – The Kishwaukee Valley Art League will host several events and programs in January at the Gallery on State, 322 W. State St., Sycamore.

Please note that there will be no general meeting in January. The league's next meeting is scheduled for February 5th at 7 p.m. at the gallery. Come join us as we unveil the "Secret Subject" challenge pieces. For this event, members created original artworks based on a single secret word from a sealed envelope, and we cannot wait to see their interpretations.

December 13th- KVAL's Second Saturday Art Workshop runs from 10 AM to 2 PM. This is your chance to dive into a world of color and creativity. No experience needed to experiment, play, and discover a new passion. This inspiring session is open to all ages and skill levels!

KVAL Gallery On State will launch its latest art rotation on January 26th, featuring a dynamic blend of 2D and 3D works from both emerging and established artists. This new collection will showcase diverse mediums including paintings, photography, sculptures, and mixed-media installations all on display and available for purchase.
